## IN THE LAST TEN YEARS

I am still working full time as the property manager for Concorde Management with their Commercial Cleaning Company. My two sons served in Iraq and Afghanistan at the same time and thankfully both returned home safely. Mike, (oldest son) then went to Arlington, VA to "War College". His wife, Kitra, runs a Day Care. They are the parents of my triplet grandchildren and live on an acreage between Lincoln and Waverly, NE. My youngest son, Everett, is in Law Enforcement Weapons and Ammunition at Harnady's. You can see him in the "Hornady". com website by clicking on new products. Theresa, his wife, is a teacher and they live in Grand Island, NE. My grandsons play football but are best in basketball. My granddaughter plays volleyball. My sister, Jan and her husband, Bob live in Lincoln and we see each other every week. Looking forward to fun and frolic!
