IN THE LAST TEN YEARS

Since 2000 have purchased a motor home and traveled around the U.S. until 2003. We then took over managing an RV Park in Broussard, La called LaBoulaie RV Park and Campground. We usually take off a week in the summer to take a trip. This year we plan on going to the Grand Canyon and other points west if fuel prices don't get too high.

Sorry we won't make it to the reunion. We don't have a good picture of us. We always take pictures of everybody else.
